PHYSICAL CAMPUS

Physical

Campus

In the composition of a university there are many component parts. In the next few pages these parts shall be put together in pictures as they are seen at Valparaiso University.

The University is composed first of buildings and grounds to house the University. In these buildings the many activities, from scholastic to social are held. These buildings are also symbolic of these activities. At Valpo the tall carillion of the chapel symbolizes the ever present spirit of Valpo and its religion. The new library houses the center of the scholastic activity of the campus. The mall of old campus and the lawn of old heritage hall hold the memories of many student bull sessions in the beauty of the physical campus.

ACADEMICS

Academics

The second and most important aspect of the University's composition is its Academics. In this word students relate the hours spent looking through a microscope, examining the physical world, and pouring over the many books and papers.

In Valpo's three schools, the College of Arts and Sciences, the School of Law, and the College of Engineering the goals of many are attained. This second component part is that part on which the goal of Valpo was built, education for her population.

Campus Living

A third part in the make-up of the University is the people and the way they live. At Valpo besides the air of academics, there is the atmosphere of christianity and the Spirit of Valpo, that intangible something that is not valued until leaving the University.

At Valpo, convocations, coffee dates at the Union, dormatory mass living, recitals and fraternity-sorority pinnings become a part of the people of the University.

CAMPUS EVENTS

Campus Events

To relieve the tension built up in the people of the university community by the academic, a social program therefore becomes an integral part in the functioning of Valpo.

Such Campus Events as the spring All-School Picnic, and the Homecoming celebration in the fall help to relieve this pressure. The cultural events take their place too. KISS ME KATE the spring production is just one of many concerts and programs presented throughout the year. The honors convocation is an event which combines the Academics of the University, the Spirit, and the Population.

Homecoming

The Centennial Homecoming of 1959 was the most successful event of the year. Thousands of guests, alumni, and parents flocked to Valpo to become a part of the festive atmosphere.

The big weekend started with the traditional band playing the students and profs. Out of the classrooms like a mass of Pied Pipers. The smiling countenance of Queen Kelly Wagner graced Valpo's homecoming throne throughout the weekend. The success of the weekend can be estimated by the crowds of people at the parties, receptions, and dances. Although even a real crusader on horseback did not help the Valpo gridders from losing a heart breaker to Butler 10 - 7.

Centennial

More joy was spread again during homecoming by Jiffy and his invisable dog. Decorations reached an all time high in beauty this year. The Queens float made of brown, gold, and white mums was the peak in feminine, and floral beauty. Miss Rummell, Miss Foster, Queen Wagner, Miss Doege, and Miss Arnold are the royalty of Valpo. In house decorations the TKE's took first for the fraternities, and the AP's for the sorority. The firsts in floats went to PBX sorority and Λ XA fraternity.

Homecoming 1959

Dedications

To a growing university like Valpo the dedications of buildings becomes a part of every day life. This year Valpo dedicates the largest chapel on any college campus. A procession of Lutheran Clergymen and University Officials marched around the chapel to properly dedicate the edifice. The Christus Rex, the alter crucifix, are a masterpiece of mosaic tile and brass. The Henry F. Moellering Memorial Library was a much needed addition to the University skyline. Other dedications were the Gloria Christi chapel under the chancel of the memorial chapel, the music window, and the huge organ.

Lyceum

Valpo was not without its famous name entertainment this year. Along with Minneapolis Symphony Orchestra and the Obernkirchen Children's Choir, Stan Kenton and his band appeared with June Christy and the Four Freshmen. Ahmad Jamal and others also visited Valpo's campus.

Programs

Christmas

At Valpo Christmas means more than just lighted trees and gifts. It is the celebration of the birth of Christ. The midnight service at the Chapel is the highlight of the season Decorations on the Union lawn depict the visit of the Magi to the Child. On the Mall carolers decorate the Old Campus and in the streets one can here the favorite carols being sung by fraternities and sororities.

Mardi

Fred Buchan, the MC. of the 1960 Mardi Gras, opens the festivities by an nouncing the beginning of the Mardi Gras show, a combination of group skits. The floor around the stage in the Union serves as the hardest seat in town. But still Valpo's population enjoys the antics of the performers. The day ends with the dance and the midnight breaking of a Spanish Pinanta.

Gras

The Mardi Gras Queen and King and their court reigned over the proceedings. They are: Miss Anderson, Mr. Abendroth, Queen Pat Shebik, King Larry Goeglein, and Miss Blau. After the afternoon show the stars are allowed to meet with the crowd.

Commencement

The seniors ended their four years at Valpo by a round of parties and academic programs. Hotlinger's Gardens, the Village Pump, and the Dunes provided party spots. Baccalalaureate, Commencement Eve Vespers, The Presidents Reception were all pre commencement. A tradition was revived by having graduation outside. The class of 1960 received their degrees after a very moving address by Lowell Thomas, a 1911 graduate, "The Golden Road to Samarkand."

UNIVERSITY

Dr. Kretzmann's class listens intently as he tells the Christmas story.

O.P. in two of his many University functions.

As president of Valparaiso University, Dr. O.P. Kretzmann is leader of 2,500 young men and women, 250 professors, public relations man, lecturer and professor for his one class, "Christianity and Modern Problems." His wit, personality, and intellect, have given him the position of respected president but O.P. is also a friend to the entire student body. Valpo's spirit is truly idealized by this man, O.P. Featuring the beginning of a second century of activities at Valpo, the 1960 BEACON under the capable and faithful direction of Dave Koeneman, includes all the events of the past academic year.

In contrast with former years' editions which were given to students before the end of the school year and which excluded the spring activities, the 1960 Beacon was to be printed in the summer and then issued to students in late summer or fall. This provides for a complete coverage of the year's events in the form

of a memory book, especially for seniors looking back on a fully-illustrated senior year.

Also initiated into the changing trend was a new division of class pictures into three colleges on campus: Arts and Sciences, Engineering, and Law. The Greek pages are changed from traditional group pictures to individual blocks.

Serving as faculty advisor for his second consecutive year, Professor Richard Laube assisted in the production of the 1960 BEACON.

As if to answer the question of a prominent campus figure, "What is the **Torch** against this week," came Susan Wormley and a host of Communion authorities to the "Meek's Wail." Such correspondence, coupled with faithful coverage of campus highlights and high jinks, allowed the **Torch** to offer three special editions (Chapel, basketball, elections) and several 12-page issues. Jammed into the 30 numbers of Volume 51 were a record number of advertising column inches which provided a substantial surplus for the Student Council treasury and a 10-part series recapping the university self-study. These latter lengthy features provided interesting reading for retired constituents and university administrators, but the erudite campus in general tended to ignore this "reader's digest." Providing a light contrast to the profound "Meek's Wail" and the self-study was the tragicomedy of dateless Gofur. All this added up to shelf lining of a caliber just 70 points short of All-American rating.

Valpo's quarterly magazine, the **Lighter**, followed through the four seasons of the year to the completion of its second successful year in publication. Under the able direction of editor Dick Lee, such features as the Lighter lovelies, night light, lighter lit and the one foot shelf have fast become tradition. The talented writing of its numerous contributors has added humor and a touch of literature to the campus. The short story contest in the spring stimulated literary creativity among the readers. The **Lighter** has proven its place as the humor-literary publication on Valparaiso's campus.

WVUR

Valpo's newest activity in 1959-60 was the radio station WVUR, which was promoted and built by Jack Lawson and his competent crew of technicians. Subsidised by the Student Council, the station has been designed to cover a good part of the campus, including five major dormitories, in its area of broadcasting.

In operation on the third floor of Benton Hall, the station is growing through student interest and during the last months of the school year was successful in broadcasting experimentally on the 'radio loop' around the campus.

ISC

Your ISC represents each campus sorority with the purpose of combining and organizing the ideas and opinions into the best possible program of all Greek activity. With the helpful hand of Dean Flynn, and combined efforts, the results have been major changes. These include the concentrated rush program, the lengthened pledge program, and a letter briefly explaining sororities to the incoming freshman women. This fall will be the first year for the new open rush system for upper classmen. The last change was the All-Greek Picnic planned jointly with IFC.

I F C

Inter-Fraternity Council works to co-ordinate the activities of the ten social fraternities and to establish rules to insure a smooth-running fraternal system on campus. Each semester I.F.C. supervises rushing and pledging. During the fall semester I.F.C. handles Christmas caroling in the fraternity houses and promotes intramural athletics which carries over into the spring when the All-Sports Trophy is awarded to the team accumulating the most points throughout the year. In May I.F.C. cooperated with I.S.C. to present the All-Greek picnic at Clear Lake.

The Lawyers Association here at Valpo is one of the oldest organizations for student self-government among the law schools of the Middle West. All students have the opportunity to participate in the activities and share the responsibilities of this organization which is affiliated with the American Law Student Association. Every year the Lawyers Association sponsors numerous speakers, court field trips, provides social recreation for its members, and helps to bring the full membership of the Indiana Supreme Court to the campus. The **Senior Brochure** published by the association guides the graduating seniors in their search for employment.

Each fall A.W.S. welcomes the freshmen women to school with a Big-Little Sis Breakfast on south campus. This year the little sisters complimented their big sisters with a return party. A.W.S.'s busy schedule in the spring included a very successful Careers Day, the Regional Convention at Purdue, the Senior Women's Honorary Tea, and the Miss V.U. contest.

The student governed Valparaiso University Engineering Society consists of all members of the College of Engineering. The Engineering Society supplements the classroom instruction with its sponsored speakers, films, and field trips. Not to neglect the social functions, the society annually holds Homecoming

The Student Council of Valparaiso University is entrusted with executive, legislative, and judicial powers in order to coordinate student activity. One result of the Council's legislative endeavors was the creation of WVUR, the campus radio station. The Faculty Student Council was reestablished as a discussion group for campus problems. Through executive action library hours were extended, and the United Fund drive achieved unprecedented success.

The innovations were many, but perhaps the greatest objective of the Student Council was to instill interest and participation in the democratic process. Realization of this goal will only be known as Valpo's students of today take their places as tomorrow's citizens of the world.

Credit Union

Every afternoon the Valparaiso University Federal Credit Union is open to all students, faculty members, and employees of the University. The Credit Union not only provides a source of credit for its members but also promotes thrift in that anyone may invest his savings in the Credit Union and earn dividends from it. The Credit Union is run exclusively by the students with a member of the faculty as adviser, and it is supervised by The Bureau of Federal Credit Unions of the United States Government.

The Student Chapel Committee worked with the faculty members to discuss the student reaction to the chapel topics and special services. During the Christmas season the Chapel Committee organized the decoration of the Chapel-Auditorium. A special venture of the committee this spring was the sponsorship of faculty speakers who talked in all the student residences on the topic, "Is Christ Worth Worshipping." This was an effort to stimulate religious concern among the students.

Homecoming Committee

J. Lawson, E. Lien, G. Thole, P. Manske, D. Oberly.

Centennial Homecoming, the floats, house decorations, queens, parties, and of course the football game was the task of this year's Homecoming Committee. Paging through the Homecoming booklet one finds evidence everywhere of this committee's work in planning every traditional event of the busy weekend, even to President Kretzmann's annual Homecoming Queen kiss. A gay, successful three days it was, crowned by near victory over the powerful Butler Bulldogs. Valpo, the past one hundred years, and Valpo, its second century, was the theme, a fitting choice for the memorable Centennial Homecoming.

Honor Council

The Honor System at Valparaiso University is governed solely by the Honor Council, a body composed of twelve student members and four faculty advisers. Their work is many-fold—orientation of freshman students on the meaning and responsibilities of the Honor System, investigations and decisions on reported violations of the Code, recommendations on better procedures and methods of making the Honor System continue as a "way of life" at Valpo.

Scholarship Committee this year, ignoring its title and exercising freedom licensed by lack of a written constitution, took off in diverse and sundry directions, each, however, aimed at improving the academic community. Longer library hours, fewer railroad tickets, optional class attendance, academic advising and when in the world to get the whole committee together at one time were some of the issues discussed. Plans for next year include lobbying for abolishment of senior exams.

Traditions

Traditions in the fall of 1959 were successful in carrying through the Centennial theme with a most unique event. Under the direction of Ken Ramming, the Traditions Committee promoted a 'torch run' to symbolize the one hundred years of progress since 1859. One hundred freshmen men volunteered to run, one mile each carrying a lighted torch, a course of a hundred miles from Valparaiso to Fort Wayne, to the stadium of the first football game of the season. The event was culminated with the freshmen appearing on the football field to light the final torch, thus symbolizing one hundred years of progress.

The committee also set up a freshman hazing program and sponsored an All-School Pep Rally for the first game.

Social Committee

The Social Committee is responsible for setting up a varied program of social activities to appeal to the wide range of student interests. In carrying through this goal, the committee, headed by lim Swanson, sponsored numerous functions throughout the year beginning with a "Spectacular" starring Stan Kenton, June Christy, and the Four Freshmen. Next on the schedule was an old-fashioned Halloween Party at the Union, followed several weeks later by the traditional Sno-Ball. The second annual Mardi Gras featured a college combo which contributed to the success of this event. The committee closed a busy season with two events during Spring Féstival weekend, the annual picnic after Field Day and the presentation of the jazz artist Ahmad Jamal in concert.

Student Guide Service

The Chapel Guide and Campus Guide Services work hand in hand to provide tours for visitors on Valparaiso's campus. From early fall until late spring the Campus Guide Service is kept busy showing the growing campus to high school students, parents, and friends of the University. The Chapel Guides, who are on duty each weekend, proudly point out the highlights of the newly completed Chapel-Auditorium. The president of the University selects the student guides for their leadership ability.

Drama

The scent of grease paint, the last minute rehearsals, the jitters of opening night, the first rise of the curtain, and a job well done, is what the Drama Department and the University Players anxiously await during the season.

This years season contained six productions:

- "AH WILDERNESS" by Eugene O'Neil
- "THE PRANKSTER" and "the Experiment"
- "THE GLASS MENAGERIE" by Tennessee Williams
- "UNDER MILKWOOD" by Dylan Thomas
- "ARMS AND THE MAN" by Bernard Shaw
- "KISS ME KATE" by Cole Porter

Led by co-captains Ken Young and Jim Wacker, VU's Gridder's duplicated last years 3 win 3 loss record, ending their eleventh consecutive winning season in a 3 way scramble for third place in the Indiana Collegiate Conference.

Although the Crusader's overall 5-4 win-loss record may seem unimpressive, it gained them top defensive team position on the ICC roster. Statistics showed that the "Bauermen" outplayed all but Ohio Wesleyan, holding them to a 163 yard average per contest.

The starting eleven! Dean Kiel, Ray Zubeck, Jim Wacker, Dick Dierking, Joe Sever, Bob Pace, Larry Goeglein, Rich Gozen, Karl Watler, Ken Young.

Coaches Em Bauer, Walt Reiner, and assistants ground out Valpo's best team, both offensively and defensively in recent years. Spotlighted by the ICC, quarterback Noel Schlegelmilch captured top honors in forward passing and total offense for the second straight year.

The awe stricken Centennial Homecoming throng defenselessly watched the Butler Bulldogs steal a

10-7 victory in the last seconds of the contest after the "Bauermen" had thoroughly dominated the game. This was one of many bad breaks that plagued the Brown and Gold throughout the early part of the season.

Breaking a three game losing streak by ending the season with four game winning tally climaxed one of the Crusader's better years.

Swimming Team

In their first year of varsity competition, VU's swimming team took some hard knocks as they finished the season with a 1-3 record & 4th place in the conference meet. Led by Captain Gary Trenker and Steve Pardieck, the team gained a lot of experience from their accomplished opponents which should help them next year.

L. to R. Front Row: Ted Schlie, Karl Watler, Dick Mikkelson, Dick Dreska, Terry Robertson, Ed Prince. Back Row: Coach Gerald Wiechmann, Barry Bruckner, Dave Lapierre, Dave Happel, Dave Seidler, Steve Pardieck, Captain Gary Trenker.

Left to Right: Dick Pankey, Phil Draheim, Harvey Holter, Bruce Peterson, Hans Buchbach, Captain Jim Rodehorst, Dick Moellering, Herb Weissenfels, Andy Hendrickson, Mike McCarey, Coach William Steinbrecher.

Wrestling Team

The grappling Crusaders terminated another season, again acting as a club rather than a varsity sport. The wrestlers, led by captain Jim Rodehorst, participated in five meets and one scrimmage and came out on the short end of the score five out of six times. Coach Steinbrecher, in his first year of coaching at Valpo, has a bright future ahead of him as all thirteen of this years grapplers will return with one years experience behind them. This should prove to be a fine nucleus of young men to welcome wrestling in its first year as a varsity sport in the 1960-61 season. Phil Draheim and Rohedorst led the team in individual victories with four each, and these two along with Jim Meyer represented the University in the Little State Wrestling Meet in which they totaled enough points to earn a sixth place.

Bowling Team

The Valpo bowlers won 3 of the 4 second round matches. However they had piled up too great a deficit during the first half to be contenders for the Midwest Intercollegiate Bowling Conference Championship.

Two bright spots were the sounding defeats of Lafayette and St. Joseph's. In the Loyola match the keglers rolled their season high series of 4602 for the five games. In the season finale against St. Joe the Crusaders shone in defeating the longtime rivals 4 of the 5 games.

Track and Cross Country

Handicapped by lack of depth and only a handful of lettermen to work with, Coach John Krause molded a small but conscientous track squad which acquitted itself exception ally well on a man-for-man basis.

Brightest leader in grabbing points for the Valparaiso Crusaders was senior Art Schroeder. His mile and two-mile performances brought home frequent firsts and gave the lanky distance specialist an individual total of 43 points to lead the squad in individual production.

Talented sophomore Don Jewell who runs everything from the 100-yd. dash to the milerun finished in the second spot among individual scoring leaders. Jewell's versatility was invaluable to the small squad and gives excellent promise for the future.

Three new marks were added to the university record books this year. Most prominent was Jewell's :50.9 clocking in the 440-yd.

dash at the ICC meet at Greencastle May 14. In the same meet, the 880-yard relay mark was eclipsed by Ray Zubeck, Jim Jordan, Earl Fruehling, and Jewell who combined to get a 4th place finish with a 1:32.3 time.

The third record came early in the season in high jump with sophomore Bob Vargo's $6-2\frac{1}{2}$ leap in a triangular engagement April 23.

In three home affairs this spring, the Crusaders finished with a 1st, 2nd, and 3rd place performances despite having only single entries in a number of events. The blue ribbon finish was against arch-rival St. Joseph, Valpo winning the dual meet 76 2/3 to 57 1/3. The Brown and Gold were second in the Indiana State-Kalamazoo triangular and wound up third against Ball State and Manchester.

The Crusaders registered one away win in an indoor meet with Chicago Illini April 2. winning 72-54.

HARRIERS FINISH FIFTH IN I C C

Valpo's thinclads, coached by John Krause, managed to gain a fifth place berth in this year's Indiana Collegiate Conference Meet. Conference standings are determined by this meet. Don Jewel finished 12th, followed by this year's leading point gainer, Art Schroeder,

18th. Larry Yarger, Steve Main, Max Eby, Wendell Werner, and William Thompson placed 25th, 27th, 29th, 30th, and 32nd, respectively. Valpo followed DePauw, Indiana State, Ball State, and Butler, in conference standings.

Coach Em Bauer

Baseball

Valparaiso University, the Indiana Collegiate Conference baseball champion for the second straight year and sixth time in ten years, gave varsity and junior varsity awards to 17 team members for play during the 1960 campaign. The squad, coached by Emory Bauer, posted a 9-1 conference mark and an 11-4 overall record.

Senior catcher Tom Orton was named the team's Most Valuable Player and junior third baseman Gene West was named team captain for next year. Orton finished the season with a .370 batting and a .478 slugging average, batting in 15 runs. West collected 13 hits in 45 at bats for a .289 batting average and led the team in RBI's with 16.

Barry Bruchner, leading moundsman, posted a 6-1 season mark and allowed only 6 earned runs in 41 innings for a 1.32 earned run average. Jack Todhunter, leading batsman, hit .391 for the entire season and belted the ball at a .452 pace in conference action.

Others that received major awards in addition to the above mentioned four were: Larry Goeglein, Dick Gozon, Lee Fehrencamp, Herb Holin, Larry Kline, Rog Aumann, Terry Callaway, Dick Puffpaff, and Rick Bimler.

Golf

Valparaiso's golf Crusaders came through with a second place finish in the Indiana Collegiate conference final and finished the regular season with a 7-2 record in dual meets this year under first-year coach Bill Steinbrecher.

Lew Keller, star 6-8 basketball center for the Crusaders in the winter months, showed diversified talents on the golf course by leading the squad

through the season.

The rangy senior finished the season with a 75.5 average for golf competition. His shooting at ICC final in Muncie, Ind., gave fourth place medalist honors in the conferences as a seventh place finish in Indiana Little State. At the Benchwarmer's Ban-

quet May 19, Keller was presented with the Most Valuable Player award from coach Steinbrecher. Included among the victories in regular competition this spring were some impressive ones. Valpo downed the University of Illinois, Chicago, 9½-5½, and defeated eventual ICC winner Ball State and arch-rival St. Joseph 10-5 and 12½-2½ respectively.

Five received letters for their contribution to the golf squad this spring, three seniors and two underclassmen. The seniors are Capt. Keller, Jack Allen, and Vernon Berndt, and the underclassmen are Bill

Boelter and Don Riegelman.

Tennis

Valparaiso's tennis squad, coached by Dr. Paul E. Meadows, bounced back from a disastrous 0-7 record in 1959 to finish the 1960 campaign with a 4-2 season mark.

Another accomplishment of the battling netmen was the team's best finish in the conference meet since the Indiana Collegiate conference began. In the ICC meet at Ball State, May 13th and 14th, the Brown and Cold garnered enough points to finish third among the seven teams entered.

At the meet, one singles competitor and a doubles team made it to the second round of action. Junior Ron Knuth was the brightest performer, winning his match 6-4, 9-7. The doubles combination of Bill Karpenko and Jim Schmid combined to win 6-0, 6-1.

The crusaders opened the season on a bright note April 4 when they defeated Butler 6-1. The only loss in ICC play was to eventual winner DePauw 5-2 at Valpo. As in football, basketball, track, and go!f, the Brown and Gold chalked up another 1960 victory over arch-rival St. Joseph winning the tennis match, 7-0.

Five men received letters in tennis. The group includes captain Jim Schmid, the team's No. 1 man, Jim Ramming, Ron Knuth, Bill Karpenko, and Dave

Reddersdorf.

lunior Ron Knuth, who doubles as a top bowler, led the tennis squad this spring. Consistent wins in the singles, combined with top-doubles showings, provided needed punch for many VU wins.

Four of the 1960 lettermen will be back in 1961, giving promises of increased Crusader tennis

prestige.

Only graduating senior is captain Schmid. Knuth was elected Most Valuable Player for 1960

and was elected captain of 1961.

Crusader Cagers Jump Third in I. C. C.

The 1960 Crusaders five, coached by Paul Meadows, ended a very impressive Indiana Collegiate Conference season with 8 victories against only 4 defeats. The most thrilling victory of the season saw V.U. defeating Evansville, the top ranking small college team in the nation by the score of 73 to 71. Evansville's All-American, Ed Smallwood, proved no match for Valpo's offensive and defensive manueverings that evening.

Valpo's total season tally was a less impressive 12 victories and 13 defeats for a .480 season percentage. The Crusader non-conference opponents included such hardwood powers as Purdue and Marquette. The cagers also dropped all three of their holiday engagement's against Western Michigan, New Mexico, and St. Bonaventure.

Leading scorers for the '60 cagers were Fran Clements, 217 total points; Lew Keller, 212; Jim Zwei-

fel, 131; and Tom Orton, 130. Senior center, Lew Keller, with a 17.7 points per game average was selected Most Valuable by his teammates, and sophomore guard Fran Clements, sporting an 18.1 average was voted captain of next year's cage squad. Keller and Clements were also named to Who's Who in Small College Basketball as well as Lutheran College All-America.

MAJOR'S CLUB

The Majors' Club is an organization of women physical education majors. Their trademark is a white blazer. You will often see them selling cokes at the basketball and football games. In addition to this, they offer a scholar-ship to a physical education major, maintain a scrapbook, and publish the annual, The Major. The highlight of the season is their spring picnic with crisp, fried, chicken.

This year, golf was added to the list of basketball, volleyball, bowling, badminton, softball, and tennis. From fall through spring Valpo women are provided with a well balanced intramural program to keep them physically fit.

Congratulations, graduates

For four years you've been passing tests, socially and academically. Now, you face the real "final tests" — the ones you've been preparing for at school: earning a living, marriage, children, providing a home. When you know you must provide, it's reassuring to remember that as a Lutheran you can turn to such outstanding insurance as the Brotherhood Provider Plan for the financial support that will help you build a better life for yourself and your family. For full details, call your Lutheran Brotherhood campus representative today.

dollars and scholars

Did you ever think of reading as an investment?

It is an investment in terms of time and attention and in terms of dollars expended for books.

Like other investments, reading pays dividends. A good book in any field returns to its investor increased understanding, greater knowledge, broader outlooks. A good book in the religious field brings to its reader the most lasting and important kind of benefit — spiritual dividends.

Wisely chosen and properly used, Christian literature is a perpetual source of spiritual stimulation, hope, and strength.
